The Security Council,

Recalling its resolution 687 (1991),

Taking note of the report of the Secretary-General of 17 May 1991 (S/22614), submitted to it in pursuance of paragraph 9 (b) of resolution 687 (1991),

Also taking note of the Secretary-General's note of 17 May 1991 (S/22615), transmitting to the Council the letter addressed to him under paragraph 13 of the resolution by the Director-General of the International Atomic Energy Agency (IAEA),

Acting under Chapter VII of the Charter,

1. Approves the plan contained in the report of the Secretary-General;

2. Confirms that the Special Commission and the IAEA have the authority to conduct activities under section C of resolution 687 (1991), for the purpose of the destruction, removal or rendering harmless of the items specified in paragraphs 8 and 12 of that resolution, after the 45-day period following the approval of this plan until such activities have been completed;

4. Decides to encourage the maximum assistance, in cash and in kind, from all Member States to ensure that activities under section C of resolution 687 (1991) are undertaken effectively and expeditiously; further decides, however, that the Government of Iraq shall be liable for the full costs of

carrying out the tasks authorized by section C; and requests the Secretary-General to submit to the Council within 30 days for approval recommendations as to the most effective means by which Iraq's obligations in this respect may be fulfilled.
